IBIC HOLDINGS

## FROM THE CEO'S DESK

Welcome to IBIC Investment Holdings. IBIC Investment Holdings is a leading Pan-African investment company with major interests in real estate, digital currencies, facility management, and hospitality.

Our approach is to take up active roles in every company we invest in, with a mindset of providing leadership that fosters value and growth. The ultimate goal is to deliver superior value to our chosen markets.

Because our investments are broad-based and long-term, we invest specifically in sectors that demonstrate growth; and by so doing, leverage on our sector expertise in ensuring we become market leaders in all operational portfolios.

As of today, our current investment portfolio cuts across construction, property development, facility management, hospitality, financial services and agriculture.

Our people remain our greatest strength. For this reason, we have chosen to consistently remain a people-centric organization, fostering inclusiveness and encouraging initiatives at all levels.

Our strength also stems from our overriding commitment to work in partnership with our clients and meet their expectations.

At IBIC holdings, we have maintained a proven track record of ensuring that clients receive value for their money as well as derive utmost satisfaction by handling all services with high level of professionalism, transparency and accountability.

*Business is all about the customers; what they want and what they get. Every customer wants a product that can solve their problem, worth their money, and is delivered with amazing customer service"*
